"The library saves people a lot of money so they do not have to buy/rent books/magazines/dvds/newspapers - therefore everyone, especially lower income people, are able to enjoy what others do. The library is a real credit to Scugog with its design, location, facilities, and staff. I do not complain about my property taxes due to the library." - from Scugog Library Customer

"Scugog Library serves its varied customers admirably. The place is always busy with people of all ages doing research, finding recreational reading, and so on. The book selection is excellent in the Library, as is the service. SMPL is one of Port Perry's gems, improving and supporting our community." - from Scugog Library Customer
