Summer Reading Club Registration Begins Wednesday, June 22nd!

Wandering (book)Worms: We're taking summer reading outside in this drop-in program for children ages 5 to 8 with their parent/caregiver. This program consists of an outdoor storytime (weather permitting) with age-appropriate reading selections and a nature-based craft. **This is a Drop-In program, and registration is not required.**

Weekly Crafts, Experiments & Activities: Join us for experiments, crafts and activities on Tuesday afternoons. This program is open to children ages 5 and up. **This is a Drop-In program, and registration is not required.**

Family Crafternoon: A great opportunity for families to explore arts & crafts together. Children of all ages can attend with their parents or caregivers to complete a variety of craft options. Different projects each week! **Age range: All Ages along with their Parents/Caregivers. This is a Drop-In Program.**

Techsplorers Club: Geek out at the Library this summer! We'll be exploring coding, virtual reality and robotics and more in these fun & informative sessions. Age range: 10 to 13 years. **This program requires pre-registration and spaces are limited.**

New! Jr Makers: This weekly program explores STEM (Science, Technology, Engineering and Math) through fun and engaging activities. Ages 6 to 9. **This program requires pre-registration and spaces are limited.**

Ask an Astronaut: Virtual Visit with Chris Hadfield! Join us for a half-hour conversation via Zoom with Chris Hadfield as he answers all your questions about life as an astronaut! This special event will be livestreamed into libraries all across the Durham and York Regions. We'll have some fun space activities after the visit. **Please register for this FREE event by calling 905-985-7686 x101 or visit the Information Desk at the library.**

TWEEN Theatre Sports: Join us for a fun afternoon of comedy and improve games that will have kids thinking on their feet and rolling on the floor with laughter! We'll be using wacky voices, inventing silly scenes, and creating funny characters while building confidence and creativity. For ages 9-12. **This program requires pre-registration and spaces are limited.**
